Please share this information with your teams and front line staff, especially those who may not access emails or computers.

NEW TODAY: Here’s the latest information about Michigan Medicine’s management of operations:

- COVID-19 PATIENT STATS
- TEAM MEMBER COVID-19 TESTING
- VACCINE STATS
- DAILY BLUE QUEUE EMAILS PROVIDE VACCINE UPDATES AND INFORMATION
- REMINDER TO SCHEDULE SECOND DOSE OF COVID-19 VACCINE
- UPDATE ON AVAILABILITY OF VACCINES FOR FIRST DOSE APPOINTMENTS
- CHANGE YOUR MIND ABOUT GETTING THE COVID-19 VACCINE? YOUR BLUE QUEUE SURVEY MAY BE RESUBMITTED
- GIVE BLOOD AT JAN. 19 DRIVE AT NCRC
- Mi-COVID19 WEBINAR SERIES
- HIT PAUSE: HOPE, INSPIRATION, GRATITUDE

DAILY COVID-19 PATIENT STATS
Today’s census for COVID-19 inpatients and those patients under investigation (PUI) are noted below:

<table>
<thead>
<tr>
<th></th>
<th>TOTAL INPATIENTS</th>
<th>TESTED POSITIVE</th>
<th>PUI</th>
<th>ICU POSITIVE</th>
</tr>
</thead>
<tbody>
<tr>
<td>ADULT</td>
<td>67</td>
<td>67</td>
<td>0</td>
<td>14</td>
</tr>
<tr>
<td>PEDIATRIC</td>
<td>5</td>
<td>5</td>
<td>0</td>
<td>2</td>
</tr>
</tbody>
</table>

View COVID-19 Dashboard: [https://uhabccappspr1.umhs.med.umich.edu/](https://uhabccappspr1.umhs.med.umich.edu/)

COVID-19 Patient Percent Positivity (7 day moving average)
- Symptomatic testing: 13.92%
- Asymptomatic testing: 1.68%

Discharges: 1,584 total COVID-19 discharges to date, 9 in the last 24 hours. These numbers include patients discharged to skilled nursing facilities but excludes deaths and discharges to hospice.

TEAM MEMBER COVID-19 TESTING STATS*

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>POSITIVE</td>
<td>1,416</td>
</tr>
<tr>
<td>EMPLOYEES TESTED</td>
<td>13,314</td>
</tr>
<tr>
<td>TOTAL TESTS</td>
<td>23,859</td>
</tr>
</tbody>
</table>
* Data from 3/10/20 through 1/14/21. The testing stats reflect just Michigan Medicine employees, not all University of Michigan employees. It also reflects only those who sought testing at or were hospitalized at Michigan Medicine or reported their testing to Occupational Health Services. Some Michigan Medicine employees may have been tested outside our system.

### Michigan Medicine Employee Rolling COVID Data

<table>
<thead>
<tr>
<th>Metric</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>Employees Positive Cases for preceding week (12/10 – 1/2/21)</td>
<td>72</td>
</tr>
<tr>
<td>Employee Positive Cases Last 7 Days</td>
<td>69</td>
</tr>
<tr>
<td>Employees Tested Last 7 Days</td>
<td>447</td>
</tr>
<tr>
<td>Positivity Rate (Week of 12/27–1/2/21)</td>
<td>15.43%</td>
</tr>
</tbody>
</table>

Testing stats reflect just Michigan Medicine employees, not all University of Michigan employees. It also reflects only those who sought testing at or were hospitalized at Michigan Medicine or reported their testing to Occupational Health Services. Some Michigan Medicine employees may have been tested outside our system.

### VACCINE STATS (as of 9 a.m., Friday 1/15)

<table>
<thead>
<tr>
<th>Metric</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>Number of vaccine doses received by University of Michigan (total)</td>
<td>26,825 (includes second doses)</td>
</tr>
<tr>
<td>Number of first dose vaccines administered (as of end of 1/14)</td>
<td>20,384</td>
</tr>
<tr>
<td>Number of first doses administered to our community (yesterday)</td>
<td>0 (due to uncertainty of supply)</td>
</tr>
<tr>
<td>Number of first dose vaccine appointments currently scheduled (through 1/15)</td>
<td>975</td>
</tr>
</tbody>
</table>

Find the most timely and up-to-date information on the [Vaccine FAQs](#).

**DAILY BLUE QUEUE EMAILS PROVIDE VACCINE UPDATES AND INFORMATION**

In order to ensure you are receiving the most up-to-date information regarding COVID-19 vaccinations and their distribution at Michigan Medicine, please be sure to read the daily Blue Queue News email updates. These updates provide timely, transparent data on the vaccination process, along with answering some of the organization’s most frequently asked questions.

**REMEMBER TO SCHEDULE SECOND DOSE OF COVID-19 VACCINE**

If you received your first dose, it is important to remember to schedule your second dose. Be sure to check your MyUofMHealth patient portal because you should have received a notification to schedule your second dose. You must schedule an appointment — no walk-ins will be accepted. If you do not see a notification to schedule your second dose, please reach out to bluequeue@med.umich.edu for more information.

If you have an appointment but need to reschedule for any reason, you can do so through your MyUofMHealth patient portal account. When reviewing the Appointment Details for the second dose appointment within your account, choose Reschedule Appointment if you are logged in through a web browser or Reschedule or cancel if you are logged in through the mobile app. This also applies if you accidentally scheduled an appointment for the wrong date or time.

**UPDATE ON AVAILABILITY OF VACCINES FOR FIRST DOSE APPOINTMENTS**
At this time, we are still unable to offer appointments for receiving first doses of the vaccine. We will find out soon how many doses we will receive in our next shipment and hope to be able to open more appointments starting next week for first doses.

When additional appointments become available, we will communicate through our many established employee communications channels, including the Blue Queue daily update email. Be sure to keep an eye on that daily email for updates and also check your MyUofMHealth patient portal account regularly for available appointments. We apologize for the inconvenience and frustration this may be causing, but are working hard to ensure we can fully vaccinate everyone who wants to be vaccinated as quickly as possible.

**CHANGE YOUR MIND ABOUT GETTING THE COVID-19 VACCINE? YOUR BLUE QUEUE SURVEY MAY BE RESUBMITTED**

If you have changed your mind about receiving the COVID-19 vaccine, you can log into the Blue Queue questionnaire at any time and change your preference. [Click here](#) to access the questionnaire to change your submission.

Please note, you will not see your original submission when you log back in. Answer all of the questions again and resubmit your questionnaire. Any previous answers you submitted will be deleted and only the most recent submission will be used. Be sure to have a medical record number (MRN) and a MyUofMHealth patient portal account set up as well. You will receive a scheduling ticket in your portal account and when first dose appointments are available, you will be able to schedule.

**GIVE BLOOD AT JAN. 19 DRIVE AT NCRC**

The American Red Cross will be holding a blood drive at the North Campus Research Complex from 9 a.m. until 3 p.m. on Tuesday, Jan. 19.

The drive part of the Winter University Challenge against Michigan State. It will be held in Building 18, Room G064.

Appointments to donate blood are highly recommended and can be made on the [Red Cross website](#).

Please note, Individuals who have already received the COVID-19 vaccine are NOT required to defer blood donations.

Volunteers are also needed for the drive — sign up on the [Wolverines for Life website](#).

**Mi-COVID19 WEBINAR SERIES**

The Mi-COVID19 Joint CQI Venture is hosting a weekly webinar series to continue discussions and share COVID-19 related information with stakeholders and experts across multiple disciplines and provide education, outreach, and support to Michigan hospitals. To learn more about the series, [click here](#) and scroll down to the list of upcoming webinars and registration links.

Wednesdays through Feb. 24, noon – 1 p.m. Registration for each webinar is required.

**Next Webinar:** Wednesday, Jan. 20, Summary of COVID-19 Care Practices Across Michigan and Opportunities for Improvement.
Financial support for this Mi-COVID-19 Webinar Series is provided by Blue Cross and Blue Shield of Michigan and Blue Care Network as part of the BCBSM Value Partnerships program. For more information, contact covid19clinicalsupport@umich.edu.

HIT PAUSE: HOPE, INSPIRATION, GRATITUDE
In this spot, we will share stories of hope, inspiration and gratitude. Take a few minutes to pause and reflect:

Since May 2020, Gifts of Art at Michigan Medicine has partnered with Project: Music Heals Us to offer personal real-time concerts for inpatients from remote locations. Now available for everyone are watch parties of Live from Stone Chalet concerts on the second and fourth Thursdays of the month (as well as anytime viewing), made possible through a partnership with Great Lakes Performing Artist Associates. Click here to check them out.

Weekly bulletins and policies are posted on Michigan Medicine Headlines at https://mmheadlines.org/covid-19-updates/. Please bookmark this site and refer to it for the most up-to-date information.
