BLOOD DRIVE IN TOWSLEY
The American Red Cross will be holding a blood drives in the Towsley Dining Room on Feb. 16 and 17. The Towsley blood drive is restricted to Michigan Medicine staff, faculty and medical students per the hospital’s visitor policy. Appointments can be made on the Red Cross website and these drives are also part of the Winter University Challenge against Michigan State.

Volunteers are also needed for the drive — sign up on the Wolverines for Life website.

Red Cross information on COVID-19:

- Individuals who have already received the Pfizer or Moderna COVID-19 vaccine are NOT required to defer blood donations. More info is here.
- The Red Cross set up a great website with details about their COVID-19 precautions.
- There is currently no evidence that COVID-19 can be spread through blood (more information on the FDA website).

CAMPUS LEADERS ADDRESS COVID-19 VARIANT

The university has identified additional cases of the more contagious B.1.1.7 variant of COVID-19, and is working with public health officials to consider additional mitigation measures.
