ADULT EMERGENCY DEPARTMENT VISITOR POLICY UPDATE

Effective Monday, August 16, no visitors are allowed in Adult Emergency Department including the waiting room. In rare exceptions, one visitor may be allowed if necessary to support communication between the patient and care team due to a patient's significant physical or cognitive impairment.

All visitors allowed into any area of the Adult Emergency Department must abide by mask requirements regardless of vaccination status. Visitors who have tested positive for COVID-19 recently, or have COVID-19 symptoms, will not be allowed except for end of life care.

Visitors who have accompanied an adult patient to the Emergency Department are allowed to wait in the University Hospital Main Lobby on Level 1 or in the University Hospital cafeteria on Level 2. Visitors should use the main hospital entrance to access these waiting areas.
