

Ops Update

For all Michigan Medicine Faculty, Staff and Learners

Tuesday, Aug. 24, 2021, 7:45 a.m.

Please share this information with your teams and front line staff, especially those who may not access emails or computers.

NEW TODAY: Here's the latest information about Michigan Medicine's management of operations:

- **COVID-19 PATIENT STATS**
- **TEAM MEMBER COVID-19 TESTING**
- **VACCINE STATS**
- **ADULT EMERGENCY DEPARTMENT VISITOR POLICY UPDATE**
- **COVID-19 VACCINE POLICY TOWN HALL, AUG. 26**
- **PFIZER VACCINE RECEIVES FDA APPROVAL**
- **MASK REMINDER**
- **U-M STUDENT MOVE IN AUG. 25 - 29**
- **HIT PAUSE: HOPE, INSPIRATION, GRATITUDE**

DAILY COVID-19 PATIENT STATS

Today's census for COVID-19 inpatients and those patients under investigation (PUI) are noted below:

	TOTAL INPATIENTS	TESTED POSITIVE	PUI	ICU POSITIVE
ADULT	36	35	1	9
PEDIATRIC	1	1	0	0

View COVID-19 Dashboard: <https://uhabccappspr1.umhs.med.umich.edu/>

COVID-19 Patient Percent Positivity (7 day moving average, as of 8/23)

Symptomatic testing: 7.27%

Asymptomatic testing: 0.94%

Discharges: 2,915 total COVID-19 discharges to date, 6 in the last 24 hours. These numbers include patients discharged to skilled nursing facilities but exclude deaths and discharges to hospice.

Deaths and hospice: Since March 10, 2020 Michigan Medicine hospitals have had 284 total deaths or discharges to hospice, 0 in the last 24 hours.

TEAM MEMBER COVID-19 TESTING STATS*

POSITIVE	2,091
EMPLOYEES TESTED	15,618
TOTAL TESTS	31,800

* Data from 3/10/20 through 8/19/21. The testing stats reflect just Michigan Medicine employees, not all University of Michigan employees. It also reflects only those who sought testing at or were

hospitalized at Michigan Medicine or reported their testing to Occupational Health Services. Some Michigan Medicine employees may have been tested outside our system.

Michigan Medicine Employee Rolling COVID Data	
Employees Positive Cases for preceding week: 7/25 - 7/31/2021	13
Employee Positive Cases Last 7 Days	29
Employees Tested Last 7 Days	230
Positivity Rate (Week of 8/1 - 8/7/2021)	12.60%

Testing stats reflect just Michigan Medicine employees, not all University of Michigan employees. It also reflects only those who sought testing at or were hospitalized at Michigan Medicine or reported their testing to Occupational Health Services. Some Michigan Medicine employees may have been tested outside our system.

VACCINE STATS

Find the most timely and up-to-date information on the [Vaccine FAQs](#) and the [Vaccine Dashboard](#).

ADULT EMERGENCY DEPARTMENT VISITOR POLICY UPDATE

Effective Monday, August 16, no visitors are allowed in Adult Emergency Department including the waiting room. In rare exceptions, one visitor may be allowed if necessary to support communication between the patient and care team due to a patient's significant physical or cognitive impairment.

All visitors allowed into any area of the Adult Emergency Department must abide by mask requirements regardless of vaccination status. Visitors will not be allowed for patients who have tested positive for COVID-19 recently, or who have COVID-19 symptoms, except for end of life care.

COVID-19 VACCINE POLICY TOWN HALL, AUG. 26

As a follow up to the virtual town hall conducted on Aug.5 on the COVID-19 vaccine policy, a follow up session will occur on Thursday, Aug. 26 from 1 – 2 p.m. Leaders will discuss additional information about weekly testing for those not vaccinated, actions resulting in non-compliance with the policy, and bargained for staff.

PFIZER VACCINE RECEIVES FDA APPROVAL

The Pfizer vaccine has been granted full approval from the U.S. Food and Drug Administration (FDA):

- [COMIRNATY \(COVID-19 Vaccine, mRNA\) is an FDA-approved COVID-19 vaccine made by Pfizer for BioNTech](#). It is approved as a two-dose series for prevention of COVID-19 in individuals 16 years of age and older.
- It is also authorized under Emergency Use Authorization (EUA) to be administered to:
 - Prevent COVID-19 in individuals 12 through 15 years, and
 - Provide a third dose to individuals 12 and older who have been determined to have certain kinds of immunocompromise

For more information on who currently qualifies for third doses, see https://emergency.cdc.gov/coca/ppt/2021/081721_slide.pdf

MASK REMINDER

Please be reminded that for all employees, masks are required in both clinical and non-clinical buildings to reduce the risk of COVID-19 transmissions. You are encouraged to reinforce the [universal masking policy](#) with your teams and peers to help keep our facilities and communities as safe as possible.

U-M STUDENT MOVE IN AUG. 25 - 29

Students will be moving back to the University of Michigan campus for fall semester from Aug. 25 – 29. Learn more about impacts to traffic and parking and other useful information by [clicking here](#).

HIT PAUSE: HOPE, INSPIRATION, GRATITUDE

In this spot, we will share stories of hope, inspiration and gratitude. Take a few minutes to pause and reflect:

In his latest [Minute with Marschall blog](#), Marschall Runge, M.D., Ph.D., shared a touching letter from a 35-year resident of Ann Arbor and long-time patient of Michigan Medicine. Read how he has experienced our continuous improvement over the years toward an even higher standard of caring.

Weekly bulletins and policies are posted on Michigan Medicine Headlines at <https://mmheadlines.org/covid-19-updates/>. Please bookmark this site and refer to it for the most up-to-date information.
