#### **HIGH COVID-19 TRANSMISSION RATES**

The state of Michigan is reporting greater than 9,000 cases per day with a positivity rate of >16%. Michigan Medicine is experiencing a positivity rate of 13.4% in symptomatic people and an asymptomatic positivity rate of 2.5%.

It is critical that everyone follow the COVID-19 prevention strategies to reduce virus transmission. Currently, faculty and staff are at high risk of exposure, which could have significant impacts to the overall workforce.

Please do your part to ensure a safe workplace environment:

- When eating, drinking, and taking breaks, maintain social distance of 6 feet from others that are not masked, even when fully vaccinated.
- Wear eye protection in addition to a mask for all patient care.
- Comply with both COVID-19 and influenza vaccination policies.

Thank you for your help in maintaining a safe and healthy environment for our patients and for each other.

#### **UPCOMING FLU SHOT CLINICS**

As of Thursday, Nov. 18, Michigan Medicine is at **74.10%** compliance with the annual mandatory influenza vaccine policy. Employees have 11 days remaining before the Dec. 1 deadline to get vaccinated. Do not wait until the last minute.

- [OHS Clinic \(3<sup>rd</sup> Floor Med Inn\)](#): Nov. 19, 23, and 24

***OHS will be closed on Thursday, November 25 and Friday, November 26.***

Employees may also utilize their clinical unit flu liaisons or your doctor’s office, pharmacy or community flu shot resources. If you receive your flu shot at any location outside of the OHS flu clinics, documentation must be provided, with the your name and UMID number on it, and sent directly to OHS via email to [Flu-Occ-Health@med.umich.edu](mailto:Flu-Occ-Health@med.umich.edu). OHS is experiencing a high volume of flu documentation and is processing this information as quickly as possible. If you submitted documentation to this email account you can be assured it will be entered as quickly as possible. Please allow 7-10 days for these to be entered into this system before contacting OHS.
