

Ops Update

For all Michigan Medicine Faculty, Staff and Learners

Tuesday, Nov. 16, 2021, 7:45 a.m.

Please share this information with your teams and front line staff, especially those who may not access emails or computers.

NEW TODAY: Here's the latest information about Michigan Medicine's management of operations:

- **COVID-19 PATIENT STATS**
- **TEAM MEMBER COVID-19 TESTING**
- **VACCINE STATS**
- **PARKING & TRANSPORTATION DURING THANKSGIVING HOLIDAY**
- **COVID-19 VACCINATIONS FOR CHILDREN AGES 5-11**
- **FLU VACCINE REMINDER– DEC. 1 DEADLINE**
- **HRO TOOL OF THE MONTH**
- **HIT PAUSE: HOPE, INSPIRATION, GRATITUDE**

DAILY COVID-19 PATIENT STATS

Today's census for COVID-19 inpatients and those patients under investigation (PUI) are noted below:

	TOTAL INPATIENTS	TESTED POSITIVE	PUI	ICU POSITIVE
ADULT	59	59	0	13
PEDIATRIC	7	7	0	3

View COVID-19 Dashboard: <https://uhabccappspr1.umhs.med.umich.edu/>

COVID-19 Patient Percent Positivity (7 day moving average, as of 11/15)

Symptomatic testing: 12.86%

Asymptomatic testing: 2.08%

Discharges: 3,468 total COVID-19 discharges to date, 11 in the last 24 hours. These numbers include patients discharged to skilled nursing facilities but exclude deaths and discharges to hospice.

Deaths and hospice: Since March 10, 2020 Michigan Medicine hospitals have had 311 total deaths or discharges to hospice, 0 in the last 24 hours.

TEAM MEMBER COVID-19 TESTING STATS*

POSITIVE	2,860
EMPLOYEES TESTED	18,578
TOTAL TESTS	47,727

** Data from 3/10/20 through 11/11/21. The testing stats reflect just Michigan Medicine employees, not all University of Michigan employees. It also reflects only those who sought testing at or were hospitalized at Michigan Medicine or reported their testing to Occupational Health Services. Some Michigan Medicine employees may have been tested outside our system.*

Michigan Medicine Employee Rolling COVID Data	
Employees Positive Cases for preceding week: 10/23 -10/29, 2021	78
Employee Positive Cases Last 7 Days	88
Employees Tested Last 7 Days	1593
Positivity Rate (Week of 10/30 - 11/5, 2021)	5.52%

Testing stats reflect just Michigan Medicine employees, not all University of Michigan employees. It also reflects only those who sought testing at or were hospitalized at Michigan Medicine or reported their testing to Occupational Health Services. Some Michigan Medicine employees may have been tested outside our system.

VACCINE STATS

Find the most timely and up-to-date information on the [Vaccine FAQs](#) and the [Vaccine Dashboard](#).

PARKING & TRANSPORTATION DURING THANKSGIVING HOLIDAY

Parking enforcement will be suspended in some areas over the Thanksgiving holiday on Thursday and Friday, Nov. 25 – 26. Additionally there will be no bus or shuttle service during time, with service to resume on Saturday, Nov. 27. Find all the specific details of the parking and transportation changes by [clicking here](#).

COVID-19 VACCINATIONS FOR CHILDREN AGES 5-11

U-M Health is offering vaccination to children ages 5-11 at COVID-19 vaccination clinics, including Brighton Health Center, Northville Health Center and North Campus Research Complex (Building 200) in Ann Arbor. Appointments are required and the location of your appointment will be noted when schedule your appointment at the [MyUofHHealth patient portal](#).

Visit the [Your Vaccination Appointment page on UofMHealth.org](#) for additional information and maps for COVID-19 vaccination clinic locations.

Mott will also have a vaccination site for patients who are already at the hospital for appointments. Clinics can send eligible patients (ages 5-11) to the second-floor vaccine clinic near the family center to receive a vaccine.

For more information visit: <http://www.mottchildren.org/YouthCovidVaccines>.

FLU SHOT REMINDER – DEC. 1 DEADLINE

As December approaches, all employees are encouraged to get their flu shots as soon as possible, and not wait until the final days leading to the Dec. 1 deadline.

OHS will host onsite clinics across the medical campus throughout the next month, and we strongly encourage clinical units to utilize their flu liaisons to administer the vaccine. Employees may also utilize their doctor's office, pharmacy or community flu shot resources. If you receive your flu shot at any location outside of the OHS flu clinics, documentation must be provided, with your name and UMID

number on it, and sent directly to OHS via email to Flu-Occ-Health@med.umich.edu. OHS is experiencing a high volume of flu documentation and is processing this information as quickly as possible. If you submitted documentation to this email account you can be assured it will be entered as quickly as possible. Please allow 7-10 days for these to be entered into this system before contacting OHS.

Exemptions submitted by the November 1 deadline are being reviewed by their respective reviewing committees and notification of approval/denial will be sent prior to December 1.

As a reminder, this year there are no flu stickers required to place on your employee badge. Supervisors and Managers should utilize Health Rx to confirm their direct report employees flu compliance.

HRO TOOL OF THE MONTH

As the end of the year approaches, some may experience greater distractions with the upcoming holidays, work responsibilities and family activities. It is the perfect time to pay attention to detail and use the HRO tool of the month, Cross Checking. For more on Cross Checking and Coaching, and how it can benefit you, [click here](#).

HIT PAUSE: HOPE, INSPIRATION, GRATITUDE

In this spot, we will share stories of hope, inspiration and gratitude. Take a few minutes to pause and reflect.

As we approach the holidays, some may feel additional stress due to the additional activities and gatherings that occur during the winter season. Whatever you're planning, make sure you [check in on wellness](#) and ensure you are able to manage stress and burnout before it manages you.
