Tuesday, Feb. 1, 2022, 7:30 a.m.
Please share this information with your teams and front line staff, especially those who may not access emails or computers.

NEW TODAY: Here’s the latest information about Michigan Medicine’s management of operations:
- **COVID-19 PATIENT STATS**
- **TEAM MEMBER COVID-19 TESTING**
- **VACCINE STATS**
- **REVISED UH/CVC VISITOR POLICY AND MASK ENFORCEMENT**
- **COVID-19 BOOSTER SHOTS REQUIRED BY FEB. 4**
- **PREPARING FOR SEVERE WINTER WEATHER**
- **UPCOMING BLOOD DRIVES**
- **HIT PAUSE: HOPE, INSPIRATION, GRATITUDE**

**DAILY COVID-19 PATIENT STATS**
Today’s census for COVID-19 inpatients and those patients under investigation (PUI) are noted below:

<table>

Some Michigan Medicine employees may have been tested outside our system.

VACCINE STATS
Find the most timely and up-to-date information on the Vaccine FAQs and the Vaccine Dashboard.

REVISED UH/CVC VISITOR POLICY AND MASK ENFORCEMENT
Please see updates below regarding the revised visitor policy and hours for UH/CVC and masking requirements currently in effect. Please share this information with your teams.

UH/CVC visitor policy:
- UH/CVC visiting hours: 9 a.m. - 10 p.m.*
- 1 adult visitor (total) allowed per day for UH/CVC inpatient areas
- COVID+/PU: 1 adult visitor (total) allowed per day with a maximum of 2 different visitors per admission

*Adult patients with developmental delays/significant cognitive impairments will be allowed to have one (1) visitor remain bedside around the clock when visitor is required for safety and is considered essential to the patient’s care.

These changes apply to UH/CVC inpatient units only. The Adult Emergency Department continues to restrict visitation to medically necessary visitors only. The C&W visitor policy also remains unchanged at this time. Please see PolicyStat for additional information.

Mask enforcement:
Community transmission of COVID-19 remains high and poses a risk to patients, visitors, faculty, staff and learners. All visitors and employees are required to wear masks when inside our patient care facilities.

COVID-19 BOOSTER SHOTS REQUIRED BY FEB. 4
To protect our workforce, patients and community, all Michigan Medicine faculty, non-bargained for staff and learners are required to receive the COVID-19 booster shot by Friday, Feb. 4, 2022, or as soon as you are eligible. Bargained for staff should refer to their respective collective bargaining agreements and corresponding MOUs for information on their requirements. To learn more about this requirement and how to receive and document your booster shot, click here.

PREPARING FOR SEVERE WINTER WEATHER
Severe winter weather is anticipated for our region last this week. Departments and staff should always be prepared and review the organization’s Severe Weather Plan to help ensure the safety of all staff, patients and visitors.

Because of the organization’s commitment to providing exceptional patient care, all U-M Health System and Shared Services personnel are considered critical employees and are expected to report to work during regularly scheduled shifts in the event the university declares an emergency reduction in operations. U-M Medical School non-critical activities will follow the campus reduction in operations plan.

Those employees working remotely will continue to work from home and are not to come into the office unless directed to do so by your supervisor.

Read more about how to prepare on Headlines.

UPCOMING BLOOD DRIVES
The need for additional blood supply remains high. Over the next few weeks, the American Red Cross is hosting several blood drives on the Michigan Medicine campus:

- **Feb. 15:** 6:30 a.m.-6:30 p.m., Towsley Lobby
- **Feb. 16:** 6:30 a.m.-6:30 p.m., Towsley Lobby
- **Feb. 22:** 8:30 a.m.-2:30 p.m., Towsley Lobby.

To schedule an appointment to donate blood, log onto redcrossblood.org (sponsor code: goblue) or call 1-800-RED-CROSS (1-800-733-2767). Walk-ins are welcome as space permits, though appointments will be given priority. Please bring a photo ID with you to the drive.

The Red Cross has also set up a great website with details about their COVID-19 precautions and policies: https://www.redcrossblood.org/donate-blood/dlp/coronavirus--covid-19--and-blood-donation.html.

HIT PAUSE: HOPE, INSPIRATION, GRATITUDE
In this spot, we will share stories of hope, inspiration and gratitude. Take a few minutes to pause and reflect.

Learn about one of our faculty members, whose after hours hockey game turned into a life-saving event for a player on the opposing team.

Weekly bulletins and policies are posted on Michigan Medicine Headlines at https://mmheadlines.org/covid-19-updates/. Please bookmark this site and refer to it for the most up-to-date information.
